### Welcome to Macedonia

We are honored by your presence this morning. We believe glorifying God through worship is one of the essential elements of Christian life. Our early W.O.W (Worship on the Water) Service is a more casual service that overlooks the lake. The Traditional/Blended Service meets in the sanctuary. We would love for you to record your attendance by filling out a Connect Card and leave in the offering plate or give to our pastor as you leave today.

**Celebrate God's love and grace with us today!**
